Notes:

- Behavioral Health and Substance abuse is covered through Optum Behavioral Health.
- If your plan includes an emergency room facility copay and you are directly admitted to a hospital, your emergency room facility copay is waived.
- Your plan requires selection of a Primary Care Physician. Your plan requires a referral from your Primary Care Physician for select covered services.
- In Network and Non Network pharmacy deductibles are combined. Satisfying one helps satisfy the other. Pharmacy deductibles are included in the annual out-of-pocket maximums.
- Infertility services are not included in the out of pocket amount.
- Certain drugs require pre-authorization approval to obtain coverage.
- Certain services are subject to the utilization review program. Before scheduling services, the member must make sure utilization review is obtained. If utilization review is not obtained, benefits may be reduced or not paid, according to the plan.
- Coordination of Benefits: The benefits of this plan may be reduced if the member has any other group health or dental coverage so that the services received from all group coverage do not exceed 100% of the covered expense.
- Freestanding Lab and Radiology Center is defined as services received in a non-hospital based facility.
- In addition to the benefits described in this summary, coverage may include additional benefits, depending upon the member's home state. The benefits provided in this summary are subject to federal and California laws. There are some states that require more generous benefits be provided to their residents, even if the master policy was not issued in their state. If the member's state has such requirements, we will adjust the benefits to meet the requirements.
- Preventive Care Services includes physical exam, preventive screenings (including screenings for cancer, HPV, diabetes, cholesterol, blood pressure, hearing and vision, immunization, health education, intervention services, HIV testing) and additional preventive care for women provided for in the guidance supported by Health Resources and Service Administration.
- Respite Care limited to 5 consecutive days per admission.
- Skilled Nursing Facility day limit does not apply to mental health and substance abuse.

- Supply limits for certain drugs may be different, go to Anthem website or call customer service.
- Additional visits maybe authorized if medically necessary. Pre-service review must be obtained prior to receiving the additional services.
- This Summary of Benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this Summary of Benefits. This Summary of Benefits, as updated, is subject to the approval of the California Department of Insurance and the California Department of Managed Health Care (as applicable).
- For additional information on limitations and exclusions and other disclosure items that apply to this plan, go to https://le.anthem.com/pdf?x=CA_LG_HMO.
- When using non-network pharmacy, members are responsible for 50% of the prescription drug maximum allowed amount & costs in excess of the prescription drug maximum allowed amount. Members will pay upfront and submit a claim form
